Writing 2-3 sequences

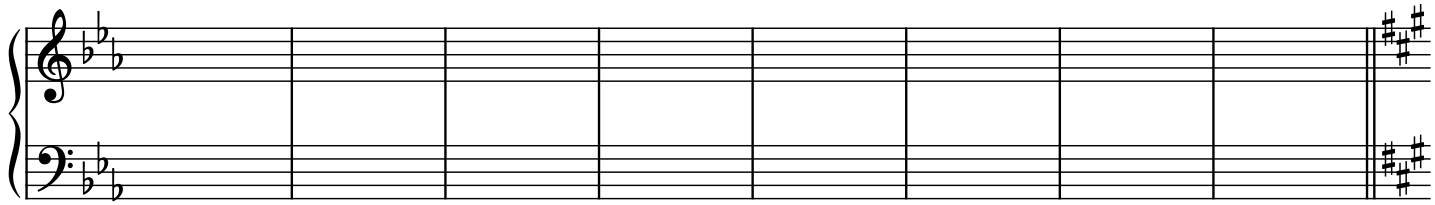

worksheet

Write a 2-3 descending sequence in the following MAJOR keys.

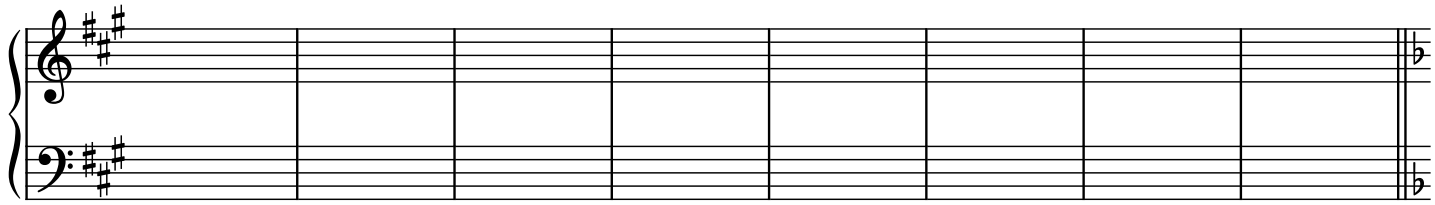

1. Write a descending scale in the top part spanning an octave starting from scale degree 3 (3-2-1-7-6-5-4-3)
2. In the left hand, write a half rest and then a half note of scale degree 1 (or 8).
3. Tie the note to a half note in bar 2 and then descend by a step to scale degree 7.
4. Continue until you reach scale degree 7 again and resolve it to 8 above on the final downbeat.
5. Consult the examples we looked at if you need to.
